

21st November 2025

To Whom It May Concern,

SERVICE LETTER – INTERNSHIP

This is to certify that Dulran Sandila Samarasinghe was employed by 99x as a Trainee Software Engineer from 28th May 2025 to 21st November 2025, as part of the internship program.

99x is a technology company offering advanced digital solutions, from product engineering, tech experts and web development for the European and North American markets. 99x employs over 600 technology and product specialists spread across five countries with offices in Brazil, Norway, Portugal, Sri Lanka, and Malaysia, who are high achievers, creative thinkers and team players.

This letter has been issued at the request of Dulran Sandila Samarasinghe and if you wish to discuss this further, please feel free to contact the undersigned.

Yours faithfully,

99X Technology Limited

Damitha Jayasinghe
Chief People Officer
